

ACHARYA NARENDRA DEV COLLEGE

(UNIVERSITY OF DELHI)

ADMISSION RIDERS (2011-12)

S. No.	Subject	GENERAL	OBC	Justification
1	B. Com. (H) 3E+1L	60% marks in Mathematics	60% marks in Mathematics	Syllabus of B. Com. (H) contains Mathematics. Therefore, basic knowledge of Mathematics is required for understanding of the subject.
2	B. Sc. (H) Physics	70% marks in Physics	70% marks in Physics	Syllabus of B. Sc. (H) Physics consists of 20 papers (out of 24) of Physics. These papers are of advanced level and builds-on the body of knowledge of basic Physics one learns at the senior secondary level. Thus, an adequate proficiency in the Physics course is essential. A student who has obtained atleast 70% in Physics at the Senior Secondary level can effectively handle and do justice to the course.
3	B. Sc. (H) Chemistry	70% marks in Chemistry	65% marks in Chemistry	A student should have good understanding of Chemistry to be able to pursue B. Sc. (H) Chemistry.
4	B. Sc. (H) Botany	60% marks in Biology	60% marks in Biology	Biology is the basic element of study in B. Sc. (H) Botany. Hence, a good understanding of the subject is required for admission to the course.
5	B. Sc. (H) Zoology	65% marks in Biology	65% marks in Biology	This is because cut off marks include marks in Physics, Chemistry and Biology (PCB) and we want the child to be good in our main paper i.e. biology. If the child is not good in biology it will be difficult for him/ her to continue in this course.
6	B. Sc. (H) Electronics	-	-	-
7	B. Sc. (H) Computer Science (M+2E+L)	73% marks in Mathematics	68% marks in Mathematics	Mathematics is the base of Computer Science. Also, students are required to study 5 papers of Mathematics in 3 years.

8	B. Sc. (H) Mathematics	78% marks in Mathematics	73% marks in Mathematics	The rider for admission to B. Sc. (H) Mathematics is necessary as it is a specialized course in Mathematics. So, a good knowledge of the subject is required.
9	B. Sc. Physical Sciences (Chemistry)	-	--	-
10	B. Sc. Physical Sciences (Electronics)	-	-	-
11	B. Sc. Physical Sciences (Comp. Sc.)	-	-	-
12	B. Sc. Life Sciences	-	-	-
13	B. Sc. (H) Biomedical Sciences	75% marks in Biology	70% marks in Biology	Since the course content of the syllabus of Biomedical Sciences requires knowledge of basic concepts of Biology, hence, the inclusion of rider.
