**Subject : Additional Eligibility Criteria.**

Sir,

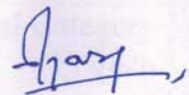

This is with reference to the University Notification No. Aca.I/2011-12/ dated 19<sup>th</sup> April, 2011 regarding under-graduate students admission process to be followed in the academic session 2011-12. We would like to add the following additional eligibility criteria for admission to some of the courses in this college :

S.No.	Course	Eligibility Criteria
1.	For Admission to <b>B.Com (H)</b>	The candidate must have studied Mathematics upto XII level. General Category candidates should have secured at least 60% marks in Mathematics and OBC 50% .
<b>Justification : B.Com (Hons.) course has one Paper of Business Mathematics and another of Business Statistics. Besides, a number of other Papers also require Mathematical input.</b>		
2.	For Admission to <b>B.A. (H) English</b>	a) Candidate from General Category who have studied English Core/Functional should have secured at least 78% marks in it, while OBC candidates should have scored atleast 68%. This restriction will not apply on Elective English.
<b>Justification : Scoring in English Core/Functional is higher than in Elective English.</b>		
		b) 3% deduction in the marks secured in best 4 subjects will be made for candidates belonging to Science & Commerce streams seeking admission to BA (Hons.) English.
<b>Justification : Candidates with humanities background at XII level have better aptitude for English Literature.</b>		

: 2 :		
3..	For Admission to <b>B.Sc. (Hons.) Mathematics</b>	Minimum of 75% marks in Mathematics for General Category candidates and 65% for OBC
<b>Justification : To ensure the aptitude of the candidate in Mathematics.</b>		
4..	For Admission to <b>B.A. (Prog.) &amp; B.A. (Hons.) English</b>	Only one out of the following subjects shall be considered and 5% deduction in aggregate of best 4 subjects shall be made :  Physical Education, Music, Fine Arts, Agriculture, Fashion Studies, Information Practice and all vocational subjects.
<b>Justification :</b> It has been observed that in the above Papers a higher weightage is given to the Practicals and hence the securing is disproportionately high vis-à-vis. other subjects.		
5.	2% concession will be given to girls candidates in all courses except B.A. (Hons.) English.	
<b>Justification :</b> To maintain the co-education character of the Institution by having boys and girls in comparable proportions.		

With best regards,

Yours sincerely,

(Dr. S.K. Garg)
