

## SHRI RAM COLLEGE OF COMMERCE

### Admission Criteria and Rationale for Admission to B.Com (H) First year for the academic year 2011-12

SL.	Eligibility Categories	Marks Differential in percentage points to determine equivalence	Rationale for the eligibility criteria
1	A. Senior School Certificate Examination (12 years) or equivalent examination with one paper each in Accountancy, Business Studies, Economics and Mathematics	0	Accountancy, Business Studies, Economics and Mathematics are the main papers of Commerce stream, hence included in Eligibility Category 'A'. Marks differential is provided in order to align with reduction in number of these main papers.
	B. Senior School Certificate Examination (12year) or equivalent examination with three papers from amongst Accountancy, Business Studies, Economics and Mathematics.	(-) 2.0	
	C. Senior School Certificate Examination (12 years) or equivalent examination with any two papers from amongst Accountancy, Business Studies, Economics and Mathematics.	(-) 3.0	
	D. Senior School Certificate Examination (12 years) or equivalent examination with any one paper from amongst Accountancy, Business Studies, Economics and Mathematics.	(-) 3.5	
	E. Others	(-) 4.0	
2	- Only those subjects will be counted for determining the aforesaid categories in which a candidate has secured at least 60% marks.		The candidate has not only studied and passed the subject but also has reasonable competence in the subject on the basis of which category is determined.
3	- The percentage of marks, from which figures given above will be subtracted to arrive at the equivalence, will be calculated on the basis of <b>four</b> subjects as follows: (i) English or Hindi (ii) Three best elective subjects in the qualifying examination with the condition that the elective subjects would not include any other language, Art, Needle-work and Dress-Making, Cookery, Physical Education, Entrepreneurship, Environmental Studies, Home Science, Computer Science, Fashion Studies, Music, Typing and Shorthand and similar subjects.		The student who is admitted to B.Com.(Hons.), which is an academic course, should possess theoretical and analytical competence which may not be provided by the study of vocational papers such as, Needle-work and Dress-Making, Cookery, Physical Education, Entrepreneurship, Environmental Studies, Home Science, Music, Fashion Studies, Typing and Shorthand, Computer Science and similar subjects.

## Admission Criteria and Rationale for Admission to B.A.(Hons.) Economics First year for the academic year 2011-12

Sl.	Eligibility Categories	Marks Differential in percentage points to determine equivalence	Rationale for the eligibility criteria
1	A. Senior School Certificate Examination (12 years) or equivalent examination with Commerce Stream.	(0)	As regards the weights given to various streams: the training imparted in the Science and Humanities streams suits the course requirements. This criteria also ensure that all these streams are represented in the student body of our college.
	B. Senior School Certificate Examination (12 years) or equivalent examination with Science Stream. To qualify in the Science Stream, the applicant must have done Physics, Chemistry and Mathematics.	(+ ) 2	
	C. Senior School Certificate Examination (12 years) or equivalent examination with Humanities Stream.	(+ ) 3	
2	- An applicant must obtain at least 70% marks in Mathematics (equivalent to CBSE 12 <sup>th</sup> standard Mathematics) to be considered for admission to B.A. (Hons.) Economics First Year.		Maths is an essential prerequisite for Modern Economics-A score of 70% in Mathematics is a minimal requirement for those wishing to do Economics.
3	- For determining the percentage of marks scored at the qualifying examination only four subjects will be counted as follows: (i) English; and (ii) Three other subjects in the Commerce, Science and Humanities streams respectively, which would not include any other Language, Computer Science, Mechanical Drawing, Art, Needle-Work and Dress-Making, Cookery, Physical Education, Home Science, Music, Business Mathematics, Environmental Studies and similar subjects.		Similarly, the disciplines that we have excluded have little or no relevance in the study of Economics.
